

On April 12, 2017, Treasury Board of Canada Secretariat and the Canada School of the Public Service hosted an Armchair Discussion entitled “Open Government Starts with You”. For the first time in the history of the School’s Armchair Discussion the entire event was made open to the public via webcast in real time. The panelists included Beth Noveck (Co-founder of Govlab, Professor, and former White House Open Gov lead), David Hume (Citizen Engagement, Province of BC), Jean-Noé Landry (Executive Director, Open North) and the Chief Information Officer of the Government of Canada, Alex Benay.
